Hello caring and trusted adult! Thank you for taking time to speak with our 4-H Clover Kid! These guiding questions are to facilitate conversation and learning. Based on the exhibitor's experience and comfort, you may assist with writing questions. Please fill in as much or little as possible. When you are finished, please mail or drop off this worksheet to the Extension Office on or before July 24th. We will mail their Clover Kid participation ribbon(s).

Parents, you may be the trusted adult or find a caring adult of your choice. Clover Kids are limited to 3 entries (worksheets) for the 2020 fair. This worksheet may be used to evaluate learning of a pet or animal exhibits.

1. What was your exhibit goal? *Did you hope to learn anything specific?*

2. What steps did you take to complete this exhibit?

3. What was your favorite part about this exhibit? *Why?*

4. What did you learn with this exhibit? *What was the hardest part?*

Questions to be answered with the guidance of the trusted adult:

1. Where did you get your idea?

2. What supplies were used? If known, about how much did it cost?

3. If related to the exhibit, why did you use certain colors or shapes?

4. Is this an exhibit that you would do again? If yes, would you change anything?

5. Is there anything else you would like to add/share?
