Early Morning Harvest

The diverse farm produces vegetables and herbs, free-range chicken eggs, grass-fed beef, live tilapia using an aquaponics system, honey, and locally milled small grains.

Lauritsen Cattle Company

Lauritsen Cattle Company, co-owned and managed by Claira Lauritsen, offers fully computerized real time data along with retained or investor ownership experiences. The facilities include mounds, shades, sprinklers and windbreaks to enhance animal comfort.

Veterinary Associates of Manning

From cats and dogs to piglets to exotic animals, this rural business cares for animals with state of the art technology and specialized services. One of those services includes doing c-sections on sows, which we'll be able to watch on video at the clinic.
