## Louis Dreyfus Ethanol Plant

A boxed lunch will be served as the bus heads out to the Louis Dreyfus Company in Grand Junction, Iowa. Our hosts will explain ethanol production and discuss the impacts of legislation on the industry.

## ISU Dairy Farm and Ag 450 Farm

The tour continues with a visit to the ISU Dairy Farm and Ag 450 Farm. Participants may choose to learn about dairy or swine production along with manure management and composting.

## Geisler Farms

Geisler Farms – Growing Family Fun provides a fun final destination with a barbecue dinner and networking reception in the Red Shed wedding venue. The agri-tourism business was started in 2005 on a third-generation family farm. Geisler farm hosts the public on weekends during September and October for a corn maze, pumpkin patch and family activities; sells pre-cut Christmas trees from mid-November through mid-December; and hosts weddings and receptions from April through August.
