## From the desk of Lujean Faber...

### Start to identify your animals and livestock for fair NOW!

This year all 4-H animals and livestock that 4-H'ers plan to exhibit at county fair (and State Fair, Clay County Fair and Ak-Sar-Ben) must be identified in 4-H Online...no paper forms will be accepted this year from 4-H families (FFA students will still need to fill out paper forms). If 4-H families do not have a computer or internet access, you are welcome to come into the Extension Office to enter your animals. If office hours don't work, please make special arrangements. Always best to call ahead!

**Go to 4-H Online at: <https://iowa.4-Honline.com/> - this is the same site that you used to enroll in 4-H. If your address or email has changed, please contact the Extension Office first.**

See "Start to Identify your Animals" article in this issue of the *4-H Scene* for further information.

4-H families need to put important 4-H deadlines on their calendars, phones, etc.— something that will remind you. It is the responsibility of 4-H families to make sure 4-H deadlines are followed; otherwise 4-H'ers will not be able to exhibit animals at the county fair and other fairs or events that require ID's.

**Remember...READ the 4-H Scene!**

Please make it a priority to attend a workshop in Woodbury, Monona or Ida County. There are quite a few 4-H'ers who don't take this seriously. If you don't attend the workshops offered this year, you will not be able to exhibit your animals at the county fair, state fair and/or Clay County fair – NO special make-ups will be held.

**Information for 4-H'ers who need to take the FSQA Test:** Because Woodbury has a large number of 4-H'ers who exhibit livestock - 4-H'ers in grades 7th, 8th, or 9th grades, those 4-H'ers must test out this year and 4-H'ers in 10th, 11th and 12th grades must also take the test. You only need to take the test once as a 7th - 9th grader and then again as a 10th – 12th grader. Most 4-H'ers test out as a 7th grader and again as a 10th grader. Testing dates will be later this spring. If you need to know if you need to take the test, please check in 4-H Online under your personal profile.

## Urban 4-H Update

To combat the winter doldrums the Woodbury County Urban 4-H team kept the youth busy with many fun and educational experiences. At the afterschool program at the Midtown Family Center, staff used the activities from the Mad Scientist Camp held earlier this winter to provide youth with opportunities to enjoy fun, and sometimes messy, science-based experiences. The children are making puppets from a variety of materials to use for a drama activity, acting out traditional children's stories.

During the afterschool 4-H clubs in the schools, staff have provided members with STEM activities including chemistry experiments and Jr. First Lego League. To enhance communication, presentation skills and to build confidence, several clubs have done drama activities that focus on improvisation.

On Jan. 27 at the Midtown Family Center at 525 14th Street in Sioux City we had a Family Fun Night. The neighborhood and families from the afterschool program and clubs were invited to a free soup supper and to have family indoor fun with a newspaper snowball fight, tabletop hockey using wood blocks for the rink and ice for the puck, and an obstacle course set up to have fun while using many muscle groups.

On Monday, March 10, 2014 there will be another Family Fun Night at the location mentioned above. It will be held from 5:30-6:30 p.m. with a free homemade meal followed by family activities. All families with children are invited to attend.

## What is Copyright? Important information for Fair!

Every year at the fair there are 4-H exhibits that cannot be displayed because they have not followed copyright rules. In order to prevent that from occurring, 4-H'ers need to be aware of copyright rules. According to the United State Copyright Office, "Copyright is a form of protection provided by the laws of the United States to the authors of "original works of authorship". (Copyright Basics. US. Copyright Office. 2012.) Or to put it simply, copyright is your right to your own work. No one can use your work without your permission.

Your responsibility as a 4-H'er is to make sure that you are not using other people's work without their permission before putting the item on public display and earning premium money from the work. Before you copy/draw/recreate a painting, cartoon character, photograph, or other piece of work for the fair, you need to ask the original creator for permission. A copy of a copyright permission letter can be found on the Iowa 4-H State Fair webpage, <http://www.extension.iastate.edu/4h/statefair>, under the "Exhibitor Resources" section.

More information on copyright guidelines is available from your County Extension Office or at the U.S. Copyright Office, <http://www.copyright.gov/>.

**Please note:** 4-H fair projects that don't have permission before judging will be dropped a ribbon and will be ineligible for State Fair.

## Enroll in 4-H Projects

If you haven't enrolled in 4-H projects in 4-H Online, (and there are some 4-H'ers who haven't), please go to your profile in 4-H Online at <https://iowa.4-Honline.com/>. It is important because the Iowa 4-H office sends out emails on specific projects to 4-H'ers on state fair changes, special events and reminders. If your email or address has changed, please let the Woodbury County Extension Office know of that change so that we can make the change in 4-H Online.

## Picnic Tables for Fair

The Woodbury County Fair board has an opportunity available this year to honor a loved one or your club with a picnic table for the fairgrounds. 4-H clubs, families or anyone interested may purchase a picnic table for the fair. The costs for the picnic table with names engraved on top is \$200. The table will be placed in the picnic area next to the free stage near Flathers Hall. You may contact Don Wiese, Fair Board Manager, or Jan Widman, Fair Board Secretary at [woodburycofair@wiatel.net](mailto:woodburycofair@wiatel.net) for more information or to order a table.

The Fair board is also asking for help with cleaning off the tables at the picnic area during the fair. If clubs would like to adopt a day to help with that task, cleaning could be done a couple times a day. Cleaning supplies would be provided.

## 4-H Recognition Event | Sunday, June 1

Each year 4-H'ers and volunteers are recognized at the 4-H Recognition Event. To help with the cost of the meal, the 4-H Recognition Team are asking 4-H clubs for a donation towards the meal so that 4-H members, 4-H Volunteers and their family can all benefit. 4-H Clubs have been very generous in the past to help with this effort.

We would also like each club to donate a \$5 door prize for the 4-H Recognition event. The 4-H Recognition event will be held on Sunday, June 1 in the Varied Industry Building at the Fairgrounds in Merville. The meal will be catered by Central Catering of Hawarden, will start at 5:00 p.m. with the award program starting at 5:45 pm.
