Woodbury County Fair’s “Old Town”

Step back in time and stroll the boardwalk of “Old Town.” Woodbury County Fair is proud of the efforts to preserve some of the history of the county on the fairgrounds.

The “Old Town” village includes a one-room school moved to the grounds from Wolf Creek Township. The “Concord Mercantile” is a popular destination for fair goers; penny candy and Sioux City Sarsaparilla are on sale in the country store. Cross the street and you come to the Blunk House and the Peiro-Bethel Church. Come sit a spell in the Peiro Church, built in 1878 Grant Township residents worshiped in this church until 1966.

Blunk House serves as the parsonage to our “Old Town” Church and houses craftsmanship of the era. The Gazebo is another quiet spot to sit and visit away from the hustle and bustle of the main fairgrounds. The Old Glory Dance Hall previously stood beside the Antique Building here on the fairgrounds. The east block of “Old Town” is completed with the Depot; you can find actual train track and platform bricks when you visit ‘Pepper Junction.’ Cross the street again and you can step into the “Old Town” Post Office.

The Little Egypt School contains post office furniture removed from the post office in Haverhill, IA. The Marshall’s office houses jail cells, which once served as a confinement place for those who were unruly in the town of Pierson. The Sadler House contains many vignettes depicting life in the early days of Woodbury County. Bollin Stable serves as the Livery Barn and houses the Meyer Petting Zoo during the fair.

Come watch Blair Smith “The Chainsaw Sculptor create woodcarvings that will be auctioned off on Sunday of the fair. Bring your children and grandchildren to play old-fashioned games, take in a show, or take a spin around the pedal farm. Come experience days of yesterday in Woodbury County Fair’s “Old Town”.

Bill Riley Talent Search

Sponsored by Woodbury County REC

Superintendents:

Kathy Clarkson (712) 251-9844 (kathykla@wiatel.net)

Tom Gerking (712) 899-6344

The Woodbury County Fair will hold two complete Bill Riley Iowa State Fair Talent Searches. The contests will be on Thursday, August 6, at 7 p.m. and Saturday, August 8, at 7 p.m. The competition will be in Flathers Hall on the fairgrounds in Moville. The search is divided into two divisions, Sprouts--Ages 2 through 12, and Seniors--ages 13 through 21. The winner of each division will be entitled to enter the competition at the Iowa State Fair. If the first place winner cannot attend the Iowa State Fair, the second place winner may compete.

Prizes in each division will be 1st--\$75; 2nd--\$50; and 3rd--\$25. A special prize of \$25 will be awarded to the highest placing Woodbury County resident in each division.

The following rules are specified by the State Fair Talent Search. We have no means for checking every rule the day of the contest, however, you will be disqualified at state if you break one, so make sure your act is within these rules before you come.

1. Show is open to legal residents of the state of Iowa only. Acts must appear in a locally sponsored/Iowa State Fair sanctioned show somewhere in the state of Iowa and be the show qualifier to be eligible to compete at the Iowa State Fair. Judges' decisions are final.

2. Sprouts: Ages 2 through 12 years; Seniors: Ages 13 through 21 years.

Seniors and Sprouts must qualify within the age requirement at local shows. For example, if you are 21 and don't qualify before you are 22, you are ineligible. All Sprout acts must qualify for the State Fair at the age of 12 or under.

The following applies only to the competition at the Iowa State Fair, NOT local shows:

A person's age for the Iowa State Fair competition is determined at the time they win a local show. A 12 year old who wins a local show (or 21 year old) could turn 13 (or 22) by the State Fair and still be eligible in the Sprout (or Senior) division, as they met age requirements at the time of qualification at a local show.

This applies to individuals or anyone in a group who qualifies at a local show at age 12 but turns 13 before the State Fair. If more than one performer in a group turns 13 before the State Fair, thus making the Sprout act have two or more 13 year olds, that act will automatically become a Senior act.

3. Professionals are NOT permitted to compete. This includes Union musicians and anyone whose principal income is from their talent. Compensation for performing at weddings, etc. does not constitute principle source of income.

4. Acts must keep the performance to three minutes. Acts timed past three minutes are subject to possible disqualification or point deduction. Five seconds over would be a starting point to begin deductions, ten seconds over or longer can be considered for disqualification. This is at the judge's discretion and should be monitored carefully. There are two different timers at the state level so we are very serious about the three minute rule. Set-up time is not included. Limit set-up time to one minute.

5. No more than five persons are allowed in an act. Piano accompanist is NOT included in an act and may be any age. No more than three accompanists permitted per act. Drums, amps, etc. are discouraged due to the one-minute set-up time. No combos, rock bands or similar musical groups permitted.
6. All acts must pre-register with the Talent Show Superintendent prior to the day of the talent show. Acts will need name, complete address, birth date, age, phone number (include area code), email, and type of talent. Multiple acts need one member to act as a contact person with all information going through them. Additional members of the act need only birth date, age, and town. Social security numbers are not needed.
7. Acts are asked to not dance onto or off the stage. After introductions, you may take any position you wish to begin your performance.
8. Vocalists can perform with an accompanist or CD/Ipod/USB flashdrive. Pre-recorded tracks should be instrumental only. Any pre-recorded track with backing vocals is not allowed, and the act will be disqualified.
9. Looping (typically seen in vocal or instrumental performances) is allowed as part of an act as long as each loop is performed live on stage. Previously recorded loops will not be allowed. Looping equipment must be provided by the contestant.
10. Foul language is not allowed in the Bill Riley Talent Search. Acts performing to or singing pieces with inappropriate lyrics will be disqualified, and the show coordinator will encourage performers to compete with a different song.
11. Contestants may only appear once in any given show. This applies to qualifying shows as well as the competition at the Iowa State Fair. They may not perform "solo" and then return in the same show in a duet or trio. Contestants are allowed to perform in different acts in different shows, but they may only qualify for the State Fair Show with one act. Once a performer has qualified for the State Fair, they are not allowed to perform in local shows as part of another act.
12. Only one qualifier from each division (Sprout and Senior) of a local show is permitted to advance to the Iowa State Fair. NO TIES are permitted in all placing.
13. An act already qualified may not compete in this contest but may appear as entertainment during the judges' conference. (This is a Woodbury County rule. Since we are one of the last shows to qualify for the State Fair, this gives more people an opportunity to qualify.)

Check-in Procedures:

Thursday, August 6 or Saturday, August 8. – Meet in Flathers Hall at the north bleachers around 6:15 p.m. Tom Gerking or Kathy Clarkson will be there to check in the participants. The general comment section of the judge's ballots will be returned to participants at the conclusion of each show.

2020 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

The Iowa 4-H Livestock website will have the health requirements for state, district and county: <http://www.extension.iastate.edu/4h/projects/livestock> - below are the County Health Requirements.

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINKEYE, DRAINING ABSCESSSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

Swine

All swine must originate from a herd or area not under quarantine and must be individually identified. Plastic tags issued by 4-H officials may be substituted for an official metal test tag, when there is an additional identification (ear notch).

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and that show individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

Swine exhibition requirements. "Swine exhibition" means an exhibit, demonstration, show,

or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name address and telephone of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

Swine exhibition report required. The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

Sheep and Goats

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678). All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. TA 1234-5678) or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873- 2824). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

Dogs and Cats

All dogs and cats exhibited must have a current rabies vaccination certificate.

Farm Deer

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

“Cervidae” means all animals belonging to the Cervidae family, and “CWD susceptible Cervidae” means whitetail deer, blacktail deer, mule deer, red deer, elk and moose. Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

A. CWD susceptible Cervidae: “All Cervidae on this certificate originate from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

B. Other Cervidae. “All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

Iowa Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state, or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

6. If any animal requires medical treatment while at the fair or exhibition, only Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner, and I understand that disciplinary actions will result if these rules are violated. 1. All tagged lambs must be born on or after January 1, 2019, except in production yearling ewe class #3. All Market Lambs, Commercial Ewe Lambs and Ram Lambs must be ear tagged in the right ear and weighed in the spring April/May, at the Woodbury County Fairgrounds in Merville. Date of weigh-in/tagging will be announced in the 4-H newsletter. All buck lambs for the market classes must be castrated or banded prior to weigh-in date.
2. All lost ear tags must be reported to a sheep superintendent immediately upon discovery with proof of loss or the ID tag, so re-tagging can be scheduled.

3. Each member can enroll/identify a maximum of 30 head to be identified in 4-H Online that attended a weigh-in. Production yearling, ewe tag number and information must be identified in 4-H Online on or before June 1.
4. Members acquiring lambs after June 1, to be shown in shows after September 1, must have these lambs ear tagged and identified no later than 4:30 p.m. on June 1. These lambs will not be eligible to show at the Woodbury County Fair.
5. All market lambs must have been shorn over the entire body. No minimum fleece length is required. An optional shearing date will be posted in the 4-H Scene.
There is no shearing above the knees allowed on the fairground from entry to end of fair.
6. At County Fair time, each member may enter:
 - o One pen of three market lambs
 - o Three individual market lambs (lambs can come from the pen of three)
 - o One ram lamb
 - o Two commercial ewes
 - o Two production yearling ewes (the yearling ewe must be a 4-H lamb that was tagged last year during the county tagging and weigh in held in the Spring 2018 and have given birth this year)
7. All market lambs will be weighed at entry time of the County Fair and must have a minimum weight of 90 lbs. to be in the average daily gain class. Lambs not meeting this standard are not eligible for other Class Champion or Grand Champion placing. All lambs at time of fair weigh-in must be dry; no foreign material may be added to lamb to increase weight. The sheep superintendents will divide the entries into weight classes. Pen of three must weigh a minimum 270 lbs.
8. The highest gaining market lambs of .75 lbs or the top 10 lambs (whichever is the smaller group) will be paraded prior to the selection of the Grand Champion Market Lamb. All market lambs are automatically considered for rate of gain; no breeding stock is eligible for rate of gain. Ram lambs shown in breeding classes cannot be shown in any market classes.

10. Any of the following unethical practices used at the Woodbury County Fair will be grounds for the exhibitor to be excused from the show ring by the sheep superintendents or judge. The sheep superintendents have the right to add to the list below at any time there are any other unethical practices.
 - a. Slapping or hitting lambs
 - b. Wetting down, icing, or painting of animals
 - c. Unnatural fitting, such as the injection of any gas, solid, or liquid under the skin

In violation of any unethical practices, one warning will be given prior to being excused from the show ring for that class.

11. All lambs must have their tails docked.
12. When showing lambs, all four feet must be left on the ground at all times.
13. Exhibitors are responsible for marketing their own lambs.
14. There has been a public health issue concerning sheep. It is called club lamb fungus and it is highly contagious to people and other sheep. Because of the fair's attempts to keep the public health risk minimal, please inspect your animals after it has been closely shorn and see whether it has any ring-like lesions that are pale yellow and crusty. If "yes", do not bring this animal to the fair. If you have any questions concerning whether your animal or animals may have this, please contact your local veterinarian before Fair. The animals will be inspected again at the Fair and if there are any suspicious lesions, they will be sent home. This is a public health issue and since many people come to the Fair and enjoy petting the sheep, the Fair Board and the superintendents are trying to prevent any problems to both the public as well as to the animals, and hope that all exhibitors share their concern. The veterinarian has final say on all animal health issues.

- Questionable lambs with health issues will be sent home.
15. All reproductively intact animals (i.e. ewes, does, rams, bucks) must be tagged with the proper "Scrapie Flock I.D. Number." Scrapie tag must be in the lamb at the spring weigh-in date.
 16. The Livestock/Animal Fair Entry form is due electronically in FairEntry by July 15. Animals will be ineligible to be shown at county fair if information is not submitted by July 15. See rule # 2 under livestock general rules.

7. 4-H clubs are strongly encouraged to have Food & Nutrition, Textiles & Clothing, Home Improvement, Child Development, Photography, and Visual Arts exhibits evaluated at local achievement shows. Achievement shows will help the 4-H member decide correct classes, goals and give an opportunity to experience conference judging before fair.
8. 4-H Building Entry forms must be brought with 4-H exhibits on Monday, August 3, 2020 judging day. 4-H exhibits will be judged in the Varied Industries Building located on the fairgrounds.

The judge then makes the decision on the ribbon placing. 4-H clubs must be judged at the assigned times. Each club will be given a color wristband for each member and the time for their conference judging on the day of judging. If the 4-H member has a large number of exhibits or will not be able to be judged at the assigned time, that 4-H member will need to contact the General 4-H Building Superintendent before fair judging day. 4-H members who do not come at their assigned time and/or did not have prior approval will have to wait until their judging time or if late will be judged as time allows. All exhibits will be judged. **It is important that clubs adhere to the judging schedule so that judging runs smoothly throughout judging day.**
