IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

   I agree to conduct myself in an honest, ethical, and upstanding manner, and I understand that disciplinary actions will result if these rules are violated. 1. All tagged lambs must be born on or after January 1, 2018, except in production yearling ewe class # 6035. All Market Lambs, Commercial Ewe Lambs and Ram Lambs must be ear tagged in the right ear and weighed in the spring April/May, at the Woodbury County Fairgrounds in Moville. Date of weigh-in/tagging will be announced in the 4-H newsletter. All buck lambs for the market classes must be castrated or banded prior to weigh-in date.
2. All lost ear tags must be reported to a sheep superintendent immediately upon discovery with proof of loss or the ID tag, so re-tagging can be scheduled.
3. Each member can enroll/identify a maximum of 30 head to be identified in 4-H Online that attended a weigh-in. Production yearling, ewe tag number and information must be identified in 4-H Online on or before May 15.
4. Members acquiring lambs after May 15, to be shown in shows after September 1, must have these lambs ear tagged and identified no later than 4:30 p.m. on June 1. These lambs will not be eligible to show at the Woodbury County Fair.
5. All market lambs must have been shorn over the entire body. No minimum fleece length is required. An optional shearing date will be posted in the 4-H Scene. There is no shearing allowed on the fairground from entry to end of fair.
6. At County Fair time, each member may enter:
   - One pen of three market lambs
   - Three individual market lambs (lambs can come from the pen of three)
Woodbury County Fair

- One ram lamb
- Two commercial ewes
- Two production yearling ewes (the yearling ewe must be a 4-H lamb that was tagged last year during the county tagging and weigh in held in the Spring 2017 and have given birth this year)

7. All market lambs will be weighed at entry time of the County Fair, and must have a minimum weight of 90 lbs. to be in the average daily gain class. Lambs not meeting this standard are not eligible for other Class Champion or Grand Champion placing. All lambs at time of fair weigh-in must be dry; no foreign material may be added to lamb to increase weight. The sheep superintendents will divide the entries into weight classes. Pen of Three must weigh a minimum 270 lbs.

8. The highest gaining market lambs of .75 lbs or the top 10 lambs (whichever is the smaller group) will be paraded prior to the selection of the Grand Champion Market Lamb. All market lambs are automatically considered for rate of gain; no breeding stock is eligible for rate of gain. Ram lambs shown in breeding classes cannot be shown in any market classes.

9. The Champion and Reserve Champion from each Market Lamb class will compete for the Grand and Reserve Grand Champion Market Lamb.

10. Any of the following unethical practices used at the Woodbury County Fair will be grounds for the exhibitor to be excused from the show ring by the sheep superintendents or judge. The sheep superintendents have the right to add to the list below at any time there are any other unethical practices.
   a. Slapping or hitting lambs
   b. Wetting down, icing, or painting of animals
   c. Unnatural fitting, such as the injection of any gas, solid, or liquid under the skin

In violation of any unethical practices, one warning will be given prior to being excused from the show ring for that class.

11. All lambs must have their tails docked.

12. When showing lambs, all four feet must be left on the ground at all times.

13. Exhibitors are responsible for marketing their own lambs.

14. There has been a public health issue concerning sheep. It is called club lamb fungus and it is highly contagious to people and other sheep. Because of the fair’s attempts to keep the public health risk minimal, please inspect your animals after it has been closely shorn and see whether it has any ring-like lesions that are pale yellow and crusty. If “yes,” do not bring this animal to the fair. If you have any questions concerning whether your animal or animals may have this, please contact your local veterinarian before Fair. The animals will be inspected again at the Fair and if there are any suspicious lesions, they will be sent home. This is a public health issue and since many people come to the Fair and enjoy petting the sheep, the Fair Board and the superintendents are trying to prevent any problems to both the public as well as to the animals, and hope that all exhibitors share their concern. The veterinarian has final say on all animal health issues. Questionable lambs with health issues will be sent home.

15. All reproductively intact animals (i.e. ewes, does, rams, bucks) must be tagged with the proper “Scrapie Flock I.D. Number.” Scrapie tag must be in the lamb at the spring weigh-in date.

16. Livestock/Animal Fair Entry form is due in the Woodbury County Extension office no later than July 15, 4:30 p.m. Forms coming in after 4:30 p.m. on July 15 will make the animals ineligible to be shown at county fair. See rule # 3 under livestock general rules.

2. Food Safety Quality Assurance (FSQA) – anyone selling hogs (includes 4-H and FFA members) must be certified. Training will be provided for youth who plan to exhibit swine at County, State and Clay County Fairs to meet this qualification. 4-H’ers in 4th, 5th and 6th grade as of January 1 must attend a workshop. 4-H’ers 7th, 8th and 9th grades as of January 1 must test out. 4-H’ers age 10th, 11th and 12th grades as of January 1 must take the test. This includes any youth who plan to exhibit at County Fair, State Fair or Clay County Fair.

3. All pigs must be ear tagged with the official Iowa 4-H tag and ear notched. This must be done before May 15. Tags must be the official Iowa 4-H tag and are available at the Woodbury County Extension office. All other tags but be cut out and only the 4-H Tag in the pig’s ear. Any time after May 15 superintendents may be spot checking ear notches. Animals having fresh cut or questionable ear notches at Fair entry will be shipped with under and overweight swine at the discretion of the superintendents. The decision of the superintendents will be final.

4. Swine entered in the Pig-of-Merit class and Performance Pen of Three class must be weighed and identified under the supervision of the Swine Superintendents. Date of the weigh-in will be published in the 4-H Scene. The maximum weight for Pig-of-Merit at the spring weigh-in is 80 lbs. 4-H’ers and their families must handle pigs and not the 4-H Fair Superintendents at Pig-of-Merit Weigh-in. 4-H/FFA members can weigh-in eight (8) Pig-of-Merit animals per member. All ear tags lost must be reported to a superintendent immediately upon discovery with proof of loss of the ID tag so that a re-tagging can be rescheduled. No maximum weight but due to discount weight prices it is recommended pigs stay below 280 lbs.

5. On the Livestock/Animal Fair entry form (due: July 15), each member can IDENTIFY a maximum of ten (10) market pigs. Each exhibitor can enter four individual market pigs (2 barrows and 2 gilts), and may bring two (2) Pen of Three (one market pen and one Performance Pen of Three from the tagged pig-of-merit). The Pen of Three can be purchased or farrowed. An exhibitor CANNOT enter the same animals in the Pig-of-Merit class or in the market individual class. A Livestock/Animal Fair Entry form is due in the Woodbury County Extension office no later than July 15, 4:30 p.m. Forms coming in after 4:30 p.m. on July 15 will make the animals ineligible to be shown at county fair. See rule # 3 under livestock general rules. It is highly recommend that 4-H’ers know what class each animal will be entered in at the time of weigh in at the fair. 4-H members must have drug withdrawal and weigh-in form completed and turned into a Swine Superintendent before their animals can be weighed Tuesday during fair check-in.
6. Individual Market Swine and Pig-of-Merit must weigh a minimum of 220 lbs. at Fair entry. A Pen of Three must weigh a minimum of 660 lbs. at Fair entry day. No underweight pigs will be allowed to show. The superintendents reserve the right to divide classes according to weight so as to equalize classes. No re-weighs will be allowed. All pigs that are over or underweight may be shipped immediately at the discretion of the superintendents.
7. Pigs entered into Performance Pen of Three (3) cannot be shown in Market Pen of Three.
8. The Champion and Reserve Champion individual Barrow, Gilts, and Pig-of-Merit will compete for Grand Champion and Reserve Grand Champion Market individuals.
9. All swine that arrive at the Fairgrounds will be unloaded, held, and loaded out under the supervision of the 4-H Swine Superintendents.
10. All swine that arrive at the County Fair are terminal and will be sold to a packer determined by the superintendents (see rule # 15). The exhibitor will pay marketing costs including trucking and data collection. All swine weighing under 220 lbs. at Fair time will be subject to a different pricing scale from those pigs over 220 lbs. Depending on what packers are willing to pay for lightweight hogs. They will also be entered in a light weight class and not be eligible for a championship.
11. Due to some packer requirements, beginning Fair weight might be used as sale weight unless otherwise notified by the Superintendents.
12. All pens should be cleaned daily.
13. In order to not jeopardize the acceptance of any and all exhibitors’ hogs brought to the Fair and then sent to slaughter, exhibitors must strictly adhere to all drug withdrawal times. Packing plants have zero tolerance for drug residues and their ability to detect drugs is continuing to improve. The 4-H Superintendents and the Fair Board want to continue to have good relations with the packing plants and do not want our hogs refused this year or subsequent years. Any exhibitor that is found not following drug withdrawal times will not be allowed to compete in any show and the animal will be quarantined at the fair until the drug withdrawal time has been met. During quarantine, the exhibitor will take care of the animal and be responsible to get the animal to slaughter following quarantine, as well as to clean the premises where the animal was kept.
14. NO oil or foreign spray may be used to cool animal. Only water may be used. Superintendents have the right to disqualify any animals and the exhibitor.
15. The Woodbury County 4-H Swine show will be a terminal show. 4-H Swine superintendents will make arrangements for a trucker to take animals to a packer. Exhibitors will NOT have the option to take their animal(s) to a locker.
16. Fees for scanning pigs will be $10 cash and collected at fair check-in on Tuesday of Fair week for Pig-of-Merit and Performance pen of three. See rule #4 under Pig-of-Merit.
17. All swine exhibitors must clean their pens after the swine have left for the packer on Monday after the fair. The Fair office will hold your swine checks until your pens are cleaned and must be done by August 15.

4-H'ers who have completed 4th grade through 12th grade are eligible to exhibit at the Woodbury County Fair in the 4-H Fair Classes. 4-H members exhibiting at the Woodbury County Fair must have a 4-H Enrollment form and enrollment fee, medical form and the Iowa Code of Ethics entered in 4-H Online or the paper forms to the Woodbury County Extension office by May 15 to exhibit at the Woodbury County Fair. Youth in the Clover Kids program for members in grades K-3 may exhibit projects in the 4-H building. 4-H Clover kids must have filled out an enrollment form, medical form and Iowa Code of ethics entered in 4-H Online (or paper forms). Clover Kids members will receive a participation ribbon(s) on their exhibits.

1. 4-H members and Clover Kids members must purchase a $2.00 Youth Exhibitor Ticket. Each club is responsible for checking in the exhibits according to the club time schedule and for removing their projects at the close of the fair. Exhibits will be released at 4:00 p.m. Sunday of the Fair. Also see rule #19 in this section.
2. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
4-H Participants in 4-H special interest and school enrichment programs and/or 4-H community clubs in grades 4th-12th, or equivalent, are eligible to exhibit.

3. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The 4-H'er will be responsible for bringing the equipment needed for their exhibit to be viewed by the 4-H Judge.

4. The exhibitor should respond briefly to the following questions about the exhibit:
   - What did you plan to learn or do? (What was your exhibit goal(s)?)
   - What steps did you take to learn or do this?
   - What were the most important things you learned?

Complete information on what the 4-H'er needs to do to prepare their exhibits for fair is on the following website: http://www.extension.iastate.edu/4h/projects and select Exhibit Tip Sheets. Exhibits in Home Improvement, Visual Arts, Clothing and Sewing will need to include an explanation of design elements and/or art principles. Photography exhibits will need a 4-H photography label. 4-H members who do not have internet access can get the information from their 4-H leader or the Woodbury County Extension office.

Design Elements and Art Principles: 4-H members will need an explanation of at least 3 design elements and/or art principles that the 4-H'er must include in their write-up/goals for visual arts, home improvement, and clothing and fashion, and sewing/needle arts.

5. If the exhibitor chooses a display to illustrate what was learned:
   - Posters may not exceed 24” x 36” in size.
   - Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   - Display boxes may not exceed 28” x 22” in height or width and 12” in depth.

6. The 4-H'er’s goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white or an Iowa State Fair exhibitor’s ribbon. Refer to exhibit class evaluation for detailed evaluation criteria in each class. Exhibit Tip Sheets and 4-H Hot Sheets are located at: http://www.extension.iastate.edu/4h/projects

7. 4-H clubs are strongly encouraged to have Food & Nutrition, Textiles & Clothing, Home Improvement, Child Development, Photography, and Visual Arts exhibits evaluated at local achievement shows. Achievement shows will help the 4-H member decide correct classes, goals and give an opportunity to experience conference judging before fair.

8. 4-H Building Entry forms must be brought with 4-H exhibits on Monday, July 30, 2018 judging day. 4-H exhibits will be judged in the Varied Industries Building located on the fairgrounds.

9. 4-H Exhibitors and the general public are reminded to stay out of the 4-H booths and State Fair booth once decorating is finished. Anyone wanting to see an exhibit more closely please ask the 4-H Superintendent on duty to assist you.

10. Entry hang tags must be on exhibit and the hang tag attached before the exhibit can be judged. Entry hangtags must be securely fastened to each exhibit. It is important that this is done beforehand. Hang tags are available from your 4-H leaders. **Hang tags will not be available at the fair** (the hang tag is not available on the web). 4-H'ers need to plan ahead and ask for hang tags from your 4-H leader or pick up the hang tags from the Woodbury County Extension Office.

11. The grade the 4-H'er has completed will determine which color tag is used:
   - Completed 4th grade and Clover Kids in grades K-3rd – Blue Tag
   - Completed 5th – 12th grade – White Tag

12. Exhibits will be judged on Monday, July 30, 2018, in the Varied Industries Building located on the fairgrounds. A conference-judging schedule will be published in the 4-H Scene. Conference judging means that the member takes his/her exhibit to the judge of that department and discusses the exhibit and the member’s learning in a two-way conversation. The
judge then makes the decision on the ribbon placing. 4-H clubs must be judged at the assigned times. Each club will be given a color wristband for each member and the time for their conference judging on the day of judging. If the 4-H member has a large number of exhibits or will not be able to be judged at the assigned time, that 4-H member will need to contact the General 4-H Building Superintendent before fair judging day. 4-H members who do not come at their assigned time and/or did not have prior approval will have to wait until their judging time or if late will be judged as time allows. All exhibits will be judged. It is important that clubs adhere to the judging schedule so that judging runs smoothly throughout judging day.

13. Premiums will be awarded to exhibits in the 4-H Building on the basis of Blue -$3.00; Red - $2.00; and White - $1.00. 4-H members who receive a merit ribbon in lieu of a blue ribbon will receive a blue ribbon premium. Premiums will not be awarded to Clover Kids. No exhibit will be awarded premium money that is not placed in one of the above groups by the judge. An exhibit may be dropped one ribbon placing by the judge if the class requirements as stated in each class description are not fulfilled. Merit ribbons and grand and reserve champion ribbons do not receive additional premium money. Judges will select exhibits showing good use of resources, including time, energy, skills, and money to receive Resourcefulness Awards (special stickers). No additional premium money will be awarded for resourcefulness awards.

14. Endangered and threatened plants and animals (includes insects) must NOT be used in any exhibit. Wildflowers taken from parks must NOT be used. It is illegal to possess songbird feathers or nests. Game animals “legally taken”, such as pheasant, goose, duck, or quail are acceptable.

15. Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted from the owner of the copyright. When the owner of the copyright has granted permission, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed. 4-H’ers must ask for permission before fair or will be dropped one ribbon placing. The 4-H Clover is a protected emblem. 4-H’ers can include the 4-H clover, but do not copy/print other material over the clover. 4-H Clover must have “18U.S.C.707” in lower right of clover. See the following website for more information on use of the 4-H Clover at: https://nifa.usda.gov/4-h-name-and-emblem

16. 4-H members who are also students of a FFA chapter at the same time are allowed to show only the maximum number of exhibits in 4-H as someone who is a 4-H member only (or FFA student only). Example: Only 3 photography exhibits can be exhibited per individual. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class. Iowa State Fair: Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H Class.

17. All new 4-H Fair trophies and 4-H Fair awards need to be approved by the 4-H & Fair Committee by Monday of Fair week.

18. All exhibits, activities and programs must represent appropriate safety procedures in the development of the exhibit and during the evaluation process. This includes static exhibits and activities revolving around the communications program. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.

19. Penalties for unexcused removal of exhibits from the fairgrounds include ineligibility to show at any shows during the remainder of this fair and ineligibility to exhibit in the county fair next year. This is a violation of the Code of Ethics and applies to all the 4-H member’s entries.

20. 4-H Clover Kids – A booth will be provided for 4-H Clover Kids in the 4-H Exhibit Building or if the member is with a 4-H club the member may have their exhibits in the club booth that the member is closely associated with. 4-H Clover Kids who want to have their
exhibits evaluated will be conference judged on Monday, July 30, 2018. Clover Kids will receive participation ribbons. No premium money is given to Clover Kids exhibits.

21. **State Fair Information:** A limited number of exhibits may be chosen by the judges to advance to the State Fair. Members must have completed 5th grade through 12th grade (or the equivalent) to exhibit at State Fair. Fourth graders (4th) are not eligible to exhibit at State Fair. Extemporaneous Speaking, Fashion Revue, Clothing Selection, and $15 Challenge entrants must be in grades 9-12 (or that equivalent). Exhibits that do not comply with size guidelines, copyright, and safety procedures will not be accepted for entry, evaluation, or display at the Iowa State Fair. **Premiums:** The 4-H Pie Fund pays the entry fees for 4-H’ers who are selected in State Fair 4-H communications and the clothing events, those 4-H’ers do not receive premium money. 4-H’ers selected and then decide not to attend those events will need to pay the county back the entry fee. Premiums are not paid for 4-H static exhibits selected for the Iowa State Fair; that money is used for transportation costs of exhibits to the Iowa State Fair and back. **Static exhibits selected for state fair MUST be brought to the Extension Office on Monday, August 6 between the hours of 8:00 a.m. – 11:00 a.m.**

**Mandatory State Fair Meeting**

4-H’ers who receive a Grand Champion or Reserve Champion Ribbons on their exhibits in the 4-H Building will be required to attend a mandatory State Fair meeting or send a parent/guardian/4-H leader. Parents and guardians are strongly encouraged to attend along with the youth. 4-H’ers must indicate by 9 p.m. on Wednesday of fair week if they want their exhibit(s) to go on to the State Fair, otherwise an alternate will have the opportunity for their exhibit to go to State Fair. The mandatory meeting will take place at 4:30 p.m. on Wednesday of the fair in Flathers Hall. Photos will also be taken at this time.

**Please Note:** Most 4-H county fair forms can be found on the Woodbury County Extension website. The web address is: [http://www.extension.iastate.edu/woodbury/4h](http://www.extension.iastate.edu/woodbury/4h). Select Woodbury County Fair Forms. As forms are updated they will have the current year in the title (some forms do not have a year). Information on state fair and some forms are also available on the Iowa State University Extension and Outreach 4-H website. That web address is [http://www.extension.iastate.edu/4H/](http://www.extension.iastate.edu/4H/). Forms are also available from your 4-H leader. Forms are available at the Woodbury County Extension office. Hang tags and 4-H forms will not be available on judging day. **4-H’ers must have the forms filled out and ready for conference judging before the 4-H members comes to the fair.**

**Booth Contest:** The purpose of the booth contest is to encourage cleanliness, maintenance, and public appeal to the 4-H exhibits in the building. Booths will be judged on neatness, cleanliness, correct use of the clover, attractiveness of display, visibility of club name and appeal to the public. It is not required to have a theme. Clubs are encouraged to think of the booth as a store front window to attract the public to 4-H. Booths will be judged throughout each day of the fair by department superintendents. Placings will be posted each day. The top three 4-H clubs will be awarded prizes on Sunday of the fair at the 4-H Recognition.
