The fair is a great opportunity to learn and try something new. Look through the 4-H exhibit buildings and barns and see all the projects. Be supportive of your fellow 4-H members and attend their shows and events. Bring a friend to the fair.

- There is a small cat and pet show on Thursday of fair.

Traffic Pattern on Livestock Entry Night

The Woodbury County Fair Board wants to have a smooth entry night for livestock entry on Tuesday, July 31. You will need to enter the south parking lot and wait in line in the staging area. An attendant will direct you when ready to enter the grounds.

Entering Rabbits on Tuesday of Fair Week

The 4-H Rabbit Superintendents want you to transport your rabbits in cages. Do not use cardboard boxes or pet carriers. The reason for this is that it insures the cleanliness of the rabbit and the people handling the rabbits. It also is cooler for the rabbits as they cannot tolerate heat. Wire rabbit carriers are permitted to use to transport rabbits to the show ring during the rabbit show when multiple rabbits are shown by one exhibitor.

4-H Foundation Silent Auction at the County Fair in the Varied Industry Building

State Fair Selection | Mandatory State Fair Meeting Wednesday of Fair Week

Mandatory State Fair Meeting – Wednesday, August 1 at the Fair

4-H'ers who have 4-H projects selected for state fair MUST attend the mandatory state fair meeting at the fairgrounds on Wednesday of fair week. Those include champion and reserve champion projects. The meeting starts at 4:30 p.m. in Flathers Hall. At the meeting 4-H'ers will receive an intent to participate form. The form must be turned in after the meeting or at the 4-H Exhibit building by 8:30 p.m. Do not turn in at the fair office!

4-H'ers whose exhibits are eligible for state fair may want to prepare labels ahead of time for your exhibit(s). State fair exhibits require labels on all items in your display. You will need enough labels for every page of your write-up and goal sheet (maybe set the computer to do that as a footer) and for every item in your display. Some exhibits need up to 50 or more labels.

The preprinted labels will come in handy when you get your project ready for state fair because those exhibits need to be in the extension office, 4728 Southern Hills Dr., in Sioux City, the Monday after fair on August 6 by 11:00 a.m. (Please be prompt). This leaves very little time to prepare and clean up your exhibit for state fair. You cannot prepare or put labels on your exhibit until after release on Sunday, August 5, 4:00 p.m.

The label needs to include:

<p>Woodbury County Class Number (look in fair book – it's the same number you use for county fair) Your First and Last Name</p>
--

If you are not present at the mandatory meeting, the alternate exhibit (reserve champion which are ranked 1, 2, 3...) that 4-H'er will be able to have their exhibit go to the state fair. 4-H'ers who have completed 5-12 grades are eligible for state fair. Pictures for champion and reserve will be taken after the mandatory state fair meeting. "County Only" Horticulture exhibitors are not required to attend as those are county only classes – but we would like you to come for pictures.

4-H Pie Contest

There is a "no kissing" policy during the 4-H Pie Sale. The 4-H pie contest is our county 4-H fundraiser. Each club is expected to bake a pie for the pie contest that will be held on Saturday, August 4. Pies will be brought to the 4-H Exhibit building by 10:30 a.m. All pies will be sold at the pie auction. 4-H clubs can decide who in the club will bake the pie. It could be a club pie baking contest, drawing a name out of a hat or a 4-H'er who volunteers to bake the pie.

Each 4-H club pie must be a two-crust pie. Pie filling can be fresh fruit, home canned or canned fruit in a disposable pie tin. No egg custard or uncooked dairy products. The recipe must be included. Practice baking your pie. We want the best baked pies for our pie auction. See the county fairbook for more information on the 4-H Pie Contest.

The money from the pie sale is used for: Medical insurance for each 4-H member and leader, 4-H recognition and awards, State 4-H Conference, leader workshops, county fair, 4-H events – like the Halloween Party, 4-H Holiday, Shooting Sports, and financial assistance for county and other district events.

Are you planning to use an Iowa State trademark in your 4-H project for the county?

Iowa State's trademarks are very popular, and students will often want to use them in 4-H projects for their county fair. In order for the fair to show and judge your work, they require a letter of permission from campus. Just email trademark@iastate.edu and include your full name and mailing address, which County you are in, type of project (sign, wood working, glass, string, photo, etc.), and which trademark/logo you are using. If you have a picture of the project, they would love to see it, but it is not required.

Please allow 3-5 business days for response. They will send an electronic version of the letter to your email, but a paper copy can be requested if you'd like that as well.

4-H Fair Exhibitor Pass

All youth exhibitors (4-H members, Clover Kids, FFA students) must purchase a youth exhibitor pass for \$2. The passes are available from the Woodbury County Fair office or check with your 4-H leader. Some of the 4-H leaders will pick them up for their members or you can purchase them from the Woodbury County Extension office. The Woodbury County Fair Board requires all 4-H members and FFA students to have a youth exhibitor pass to exhibit at the county fair. Exhibitor passes will be available to purchase on July 30 in the VI Building during the 4-H Judging. The Extension Office will have tickets available until July 25; after that date we must turn in the tickets to the Fair Office.

4-H Clover Kids Exhibiting at the County Fair

Youth who enrolled as 4-H Clover Kids (youth in Kindergarten – 3rd grade as of May 2018) and were enrolled by May 15 may exhibit projects in the 4-H Building. Each 4-H Clover Kid may bring three projects. You will talk to judges about your project on Monday, July 30, in the Storm Shelter at the fairgrounds from 10:00 a.m. - Noon. The 4-H Clover Kids exhibits will be displayed in the Club Booth of the older 4-H members that the club associates with.

4-H Clover Kids will need to fill out a blue hang tag that is available at the Extension office (no goal form or entry form is required). A special ribbon will be given for each project. No premiums will be paid for 4-H Clover Kids projects.

4-H Clover Kids are also able to enter in the 4-H pet show and cat show during the fair. No pre-entry is required, but they must have enrolled as a 4-H Clover Kid by May 15. Clover Kids do not need an exhibitor number. Check the dress code for Clovers in the fair book for the small pet and cat show.
