### New Dairy Goat Judging Contest

The Midwest youth dairy goat judging contest is scheduled for July 14 at the Clay County Fairgrounds in conjunction with the Quad State Classic Dairy Goat Show. Teams are comprised of up to four individuals in each division (novice and senior) with the top scoring three individuals being tallied for the team score. Youth aged 5-21 are eligible to participate. [Registration of individuals and teams can be done online.](#) More information on the [Dairy Goat Judging](#) webpage. Contact [Fred Hall](#) with questions.

### Civic Leadership Academy

Drake University is hosting the first annual [Civic Leadership Academy](#) this summer on campus on July 10-12. The Academy is an intensive and rewarding leadership development program that will give students the opportunity to learn from scholars, policymakers, and thought leaders! There is no cost to attend, students just need to get themselves to Drake University. The deadline to [apply](#) is May 8. Questions? Contact [Megan Wesselink](#).

### 4-H State Dairy Quiz Bowl Contest

Dairy Quiz Bowl is scheduled for June 13 at Starmont High School in Arlington, IA. Quiz bowl is open to all 4-H members in grades 4-12 and a team is comprised of 3 to 4 4-H'ers. Registration is open in 4-H online and more information is available [4-H Dairy Quiz Bowl](#). Contact [Amy Powell](#).

## POP TABS FOR JACY

Jacy McAlexander was a State 4-H Council member with a big heart who was passionate about helping others through the Ronald McDonald House. He lost his courageous battle with cancer during his 2017-18 term on council. The 2022-23 State Council wants to help collect pop tabs and continue to donate them in his honor.

**Drop off pop tabs at your local county extension office.**

The State Council has a goal to collect 1,000 lbs. or 10 pounds from each of the 100 Extension offices.

\*\*The top 5 counties to collect the most poundage by June 1st will be recognized at the Iowa 4-H Youth Conference, June 27-29.

**SPRING has SPRUNG!** Did you know spending time in nature can improve focus, lower stress, improve your mood, and reduce your risk of developing a mental health condition? What a great reason to unplug from electronics and go outside!

**May is Mental Health Awareness Month and when we think of the 4 H's, head, heart, hands, and health, they're all stronger when we prioritize our mental health and wellbeing.** With an increase in youth mental illness and suicide and the challenge of balancing everything in our busy lives, Iowa 4-H is committed to offering mental well-being programs and resources for youth and families to learn new tools and skills for healthier lifestyles and managing stress. We also continue to educate 4-H staff and volunteers about mental health, mental illness, and suicide prevention in order to create a safer, more welcoming atmosphere for youth!

## LABYRINTH Mindful Practice

Color in the labyrinth then choose a walking finger. As you trace the path from the outside opening at the bottom to the center, move at a pace that feels right for you. At the center, pause and take several slow deep breaths (keeping your finger inside the center or place your hands comfortably on your lap).

When ready to leave the center, or feel satisfied (like after eating a good meal) retrace the path back out to the entrance (which now becomes the exit point). Upon leaving the labyrinth, be grateful for the opportunity to bring strength and insight back with you into your daily life.

# **SLEEPING BAG SAFARI** **APRIL 21-22, 2023** **OMAHA'S HENRY DOORLY** **ZOO & AQUARIUM**

16 Wright County 4-H members and 3 adult volunteers joined other 4-H members, staff and volunteers from region 3 for an educational overnight experience. Leaving Clarion our first stop was the Iowa State University Veterinarian School with a tour and demonstrations. Hands on learning was next on the agenda as youth were given the opportunity to practice pulling a calf's from two of the models the vet students use. On our bus ride to Omaha's Henry Doorly Zoo and Aquarium we played travel games, had a design contest, stopped for supper and got to know each other. Arrival at the Zoo meant our Sleeping Bag Safari was beginning. The zoo had already closed to the public so we started with an up close personalized tour with the animals and a zoo expert who shared facts and answered questions. After we set up our sleeping bags in a large indoor building we were off to see the sting rays. Sleeping next to the sting ray building allowed us to travel between our sleeping bags and the sting ray pool. The night ended with snacks and a movie. In the morning we continued our tour with the aquarium. After our zoo program was over each county split up and explored the zoo, till we met up for the bus ride home. Thank You Wright County Endowment for supporting this trip. Thank you to our Volunteers, Angela, Angela and Jim! Wright County 4-H members loved this trip and already started making requests for next years Sleeping Bag Safari.

## Discovering Photography

Controlling light when there is no sunlight is a really fun challenge in photography. There are great opportunities to play with light color and warmth. Work with existing lighting and move to create interesting compositions. Play with drama and sharing a creative vision.

### Creating Photographs

- Pay close attention to your white balance when creating and make adjustments to set the mood you are going for.
- You might need to use a tripod or longer exposures depending on the light intensity.
- Pay close attention to the subtle highlights in the shadows, move yourself, your subject, or your light source to get the light just right.
- If hand holding you might need to use a higher ISO and correct for noise later.

### Editing Photographs

- Make adjustments to your color balance first, push some creative colors or if you feel like the colors are distracting to the highlights and shadows convert to black and white.
- Correct for noise in your shadows with noise reduction.
- Increase or decrease your exposure to set the mood.
- Crop to create a strong composition and intentional eye movement from light sources to the subject and back.

## Opportunities for Clover Kids at the Wright County Fair July 12-16, 2023

### Clover Kids Static Judging July 11, 10:00 am -12:00 pm

#### Class Numbers

# 900, All static Entries limit of 6 entries

# 901 Clover Kid Challenge Class Photography: Limit of 1 entry

# 902 Clover Kid Challenge Class Food & Nutrition: Limit of 1 entry

#### Clover Kids Static Classes

##### **Class # 900, limit of 6 entries**

Youth Clover Kids ages K-3 enrolled in 4-H online can participate at the fair, too! Clover Kids can create items and enter any static area they would like. This is a great opportunity to find some new hobbies. Each Clover Kid should fill out and attach a goal card for each exhibit. Clover kids will sit down with a judge to share about their exhibit and what they learned. This is a great experience for our youngest members and also helps introduce static judging. Goal cards can be found on our website or at the Extension Office. Each Clover Kid participating will receive a participation ribbon.

#### Clover Kids Static Challenge Classes

# 901 Clover Kid Challenge Class Photography: Photo must be outdoors.

# 902 Clover Kid Challenge Class Food & Nutrition: Microwave Rice Krispie Treats– official recipe in the 2023 Wright County Fair Book. What is a challenge class? All youth are given the same “idea or recipe” and add their flair for their entry. With food challenge it's harder for youth to be creative when given the same recipe but it's about who followed the directions. It is amazing to see with the older 4-H kids the different food challenge exhibits that come in with the same recipe. Youth do not need to submit a goal card but will sit down with a judge to show their exhibit. Each Clover Kid participating will receive a ribbon and one exhibit will receive a special judges choice award.

Clover Kids should enter each exhibit into FairEntry Clover Kids static exhibits <https://wrightcountyia.fairentry.com/>. FairEntry deadline is June 15 and not available till May 16.

### Clover Kids Pet Show July 14, 2:00 pm

Pets include cats, gerbils, guinea pigs, hamsters, mice, fish, turtles, birds, dogs (not 4-H dog training program) and other small pets. All pets should come on a leash, in a kennel, a cage or a bowl. NO WILD ANIMALS. It is illegal under Iowa law to capture or keep any game animal, fur animal or game birds. Cats and dogs three months or older must have a current official rabies certification given by a veterinarian. Clover Kids could also bring a stuffed animal or a picture of a pet. Pets should be identified in 4-H online by May 15 and will also have to enter in FairEntry by June 15.

**May 15 pet identification in 4-H online deadline.** <https://v2.4honline.com/#/user/sign-in>

### Bucket/Bottle Calf Show

The Wright County Cattlemen's Association and Wright County Farm Bureau are again sponsoring a bucket/bottle calf show to encourage and promote future participation in the fair. The show will be held at the Wright County District Junior Fair in Eagle Grove on Sunday, July 10 at 1 p.m.

The show is open to any Wright County youngster who has completed kindergarten through age 12, based on age as of Sept. 15 of the previous year. Interested youth need to select any newborn or orphan calf (steer or heifer, beef, or dairy) born between March 1 and June 1. Forms have been sent to last year's participants. The calf must be identified before June 1 to the Farm Bureau Office in Clarion. by filling out an identification form and sending it to Kathy at Wright County Farm Bureau, Box 347, Clarion, IA, 50525. For more information and forms contact Kathy at 515-532-2380. Must wear jeans & hard soled shoes.

**Sponsored by Wright County Cattlemen's Association and Wright County Farm Bureau.**
